

# **PRESS RELEASE**

February 23, 2006  
Stockbridge, Georgia USA

***FOR IMMEDIATE RELEASE***

Shafer Enterprises LLC, the worldwide leader in Surgeon Cooling Systems, continues to be the innovators of personal cooling products for operating room staff. Their latest, the *Surgical Multi-Cooling System* provides on-demand cooling for up to six users, whether they be surgeons, scrub techs or other staff.

Quick, dry disconnects provide everyone with total mobility while individual temperature controls ensure that each user finds their personal cooling comfort level. This completely PORTABLE multi-person cooling system with wheels and retractable handle works with Cool Vests or Resposable Ponchos. Call (800)345-3176 to schedule a free trial for your operating room and learn more about them on-line at [www.coolshirt.net](http://www.coolshirt.net) .
